

GCE AS Unit 1 Assignment

Unit Assignment Theme: Lighting

Student Name:

Duration: Summer Holiday onwards. Teacher(s): Miss Mason

Assignment aim:

- To develop student's awareness of other designers and their work within lighting
- To develop independent thinking skills, in order to achieve leaps of imagination within your work
- To be able to communicate visually, orally and in a written format effectively using art specific vocabulary

AS Unit. Coursework

Product Design

Tasks:

1. Take photographs of Lighting first hand – you can visit local shops such as BHS or Debenhams lighting sections – B&Q or Ikea also
2. Begin sketching potential ideas for a lighting design – this can be any style of lighting you choose. 2 x a3 pages of ideas
3. Investigate the history of lighting, producing a 'time line' of the main developments in lighting in the 20th century while also looking at future technology.

Remember you will need a good selection of design equipment for September including:

- Fineliners
- Pack of sketching pencils
- Rubber
- Ruler
- USB stick

Additional:

- Coloured graphic markers are also a very good resource – the Range stocks these.
