

## A-Level Psychology Summer Activities

1. Sign-up for the BPS Research Digest (<http://bps-research-digest.blogspot.co.uk>). This will give you an insight into current research trends and by joining (free) you will receive a fort-nightly email with summaries of new research studies.
2. Find a piece of research from the digest that interests you. Any research topic is allowed. Having done so, you need to write a brief commentary about why you found the research interesting and a brief overview of study including the results and conclusions. This should be approximately 2-3 pages.
3. Websites you could access:
