

Year 12 A Level Psychology Bridging Work

TASK:

Research **one** of the following psychologists and create a factsheet about them. These are all psychologists that you will come across during Year 12. The factsheet should be presented clearly and logically. It may be written out by hand or completed on a computer. You can be as creative as you wish.

1. BF Skinner
2. Albert Bandura
3. Sigmund Freud
4. Elizabeth Loftus
5. Phillip Zimbardo
6. Simon Baron-Cohen
7. Eleanor Maguire

Success criteria

You must include the following information:

- **Biographical information** about them: date of birth, date of death (if applicable), place of birth, where they lived, of which university/institute they were/are associated (if any).
- Describe an **important theory** for which your psychologist is famous. Some may be known for more than one theory; you may choose just one theory, or include more if you wish.
- Write about at least one piece of **research** that the psychologist carried out. Describe what they did and what they found.
- Use **section headers** to make your factsheet easy to read
- Include details of where you got the information from (websites, textbooks etc)
- Include a **photo/drawing** of the psychologist (if possible)
- Write about the **influence** the psychologist has had on psychology/society
- Include some **interesting facts** about the psychologist, even if they are not directly linked to psychology
