1. Introduction

The following pages set out the Business Continuity Plan for Lincoln Christ's Hospital School in the event of a disaster, e.g. fire.

This plan provides guides to actions that should be considered by the Headteacher, his/her nominated deputy, and the school in case of any significant disruption or interruption to school activities. Whilst the school is independent as an academy, the Local Authority retains responsibility for ensuring the provision of education for all Lincolnshire children and will therefore be consulted and involved in contingency and emergency planning where appropriate.

The accompanying guidance is an integral part of the Business Continuity Plan and should be referred to when developing and utilising the Plan. The school Emergency Evacuation Plan, Lockdown Plan policy and Risk Management Policy should be read in conjunction with this plan and utilised in dealing with the initial phase of any emergency.

2. Phase 1: Assess the situation

ASSESS THE SITUATION

IMPLEMENT THE

EMERGENCY PLAN

Has any damage, loss or denial of use of critical assets, resources and activities occurred?

Will there be disruption or interruption to the delivery of services?

Estimate how long the disruption or interruption will last

Do we need to implement our Business Continuity Plan?

The following is a list of the main critical functions (assets, resources and activities) that support the delivery of education and other school based services:

Critical Function	Description
Examinations	Providing staff and facilities to enable students to sit examinations (including GCSE and A-Level)
Teaching staff	The provision of a suitable number of qualified teaching staff to deliver the Curriculum (Key Stage 3, 4 and 5)
Support staff	The provision of suitably qualified and experienced support staff to assist in the education of students and running of establishment services.
Safe and secure premises	The provision of suitable, safe and secure accommodation to enable the delivery of education and to meet duty of care requirements, health and safety legislation etc
Catering facilities and staff	The provision of suitable catering facilities to enable the preparation of school meals including free school meals. The provision of suitably trained catering staff to prepare school meals to national standards
Utilities-gas	The supply of gas to enable the heating of premises and preparation of school meals etc
Utilities-water	The supply of water for drinking and general usage including flushing of toilets, preparation of meals, washing etc
Utilities-electric	The supply of electricity to enable ICT systems to run, lighting of premises, etc
Provision of ICT education	The provision of ICT to deliver education
Provision of ICT administrative	The provision of ICT to enable the establishment to run effectively
Keeping of suitable records	The keeping of suitable records in relation to staff/students and general administrative functions within an establishment
Keeping of suitable coursework	The creation and safe keeping of coursework including electronic documentation and items such as textiles, D&T work pieces
Provision of cleaning contractors	The provision of suitable numbers of cleaners to carry out general cleaning such as toilets, waste collection and removal

The 'Maximum Tolerable Period of Disruption' (MTPD) has been formulated by the Governing Body and is determined by when an impact is deemed to be 'significant' or 'very significant'. The following summarises the MTPD acceptable for each critical function:

CRITICAL FUNCTION	MTPD	NOTES
Examinations	1 day	Disruption to GCSE, A-Level and SATS would have a significant impact.
Teaching Staff	1 week	Withdrawal of labour through industrial action, pandemic
Support Staff	1 week	It is felt that loss of staff for 1 week would have a significant impact
Premises	1 week	Damage to premises and utilities or denial of access to premises will have a significant impact if lasting for more than 1 week
Catering	1 week	Loss of normal catering arrangements would mean the delivery of alternative meals.
Utilities	1 week	Loss of utilities, depending on circumstances may result in immediate school closure, depending on circumstances and seasonal factors (e.g summer or winter). Such closure will have a significant impact after 1 week similar to loss of use/denial of access to premises.
ICT Education and Administrative	1 week	Manual systems of registration could be implemented but much external reporting is now solely on-line necessitating the early restoration of systems
Records, Information and Coursework	1 month	Rather than being the MTPD the figure of 1 month if based upon the amount of data lost
Cleaning	1 week	The accumulation of rubbish and the hygiene of toilets and catering facilities would rapidly generate unhealthy conditions.

Below is a summary of the typical impacts that a loss or disruption may have:

Impact Area	Example Descriptor
Education	Impacts on education may include loss of large number of days of teaching, disruption to education, loss of coursework, etc.
Child welfare/well-being	Impacts on a child may include physical impacts (eg hunger, cold etc), psychological impacts (eg loss of course work), future prospects and educational abilities
Parents/Carers	Impacts on parents/carers may include loss of earnings (taking time off work), disruption to work, perception of establishment, College reputation and future recruitment
Statutory Compliance	Statutory compliance may include duty of care, H&S legislation, duty to provide 190 days education, OFSTED, duty to provide free school meals, etc.
Reputation	Reputation may be the reputation to the establishment, Children's Services or Lincolnshire County Council
Extended Services	Extended services may include Breakfast Clubs, After School Clubs, hiring of rooms/halls, etc.
Staff	Impacts on staff can be financial, physical, psychological

Below are some guidelines as to the impact levels:

| Category	Descriptor
Insignificant	There is not thought to be any detrimental impacts that would warrant the implementation of a BCP
Minor	There is thought to be some detrimental impact on the provision of service but not significant enough to warrant the implementation of BCP
Moderate	There is thought to be some impact on some areas. This may require the implementation of BCP if the impact is considered to affect critical areas such as education or child well-being
Significant	A significant impact in a number of areas that warrants the implementation of the BCP
Very Significant	The impact is severe with major detrimental impact on education, stakeholders and extended services. There are also major compliance issues and damage to the reputation of establishment, Children's Services and Council. Immediate implementation of BCP

addressed

Contact examination boards
for position on lost coursework

5. Remote Learning Plan

DETAILS OF REMOTE LEARNING STRATEGY TO BE ADOPTED	
ELECTRONIC LEARNING ONLY	Determine how many students have access to I.T facilities and the internet/e-mail
	Consider the option of loaning laptops to students
	Can students with no laptops gain access through other means
	Ensure electronic learning platforms are secure and protected from viruses
	Ensure access to the learning platform away from the school (if school access is denied)
MATERIAL PREPARATION	Identify any core materials that can be developed now
